Re : THE DISTRIBUTION OF "THE COURSES OF STUDY IN ENGLISH GRADES 1-6"

Ladies and Gentlemen:

Copies of "THE COURSES OF STUDY IN ENGLISH GRADES 1-6" are being shipped to you. You are to distribute one copy to each of the following immediately:

1. All urban, rural, and second-unit teachers in grades 1 to 6 inclusive
2. All English field assistants
3. All elementary school principals
4. All assistant superintendents

If you lack sufficient copies for the above personnel, notify this office of that fact and the total number of copies received in the first shipment.

Beginning the second semester, the "COURSES OF STUDY IN ENGLISH GRADES 1-6" are to be used as the basis of our teaching of English. There are few changes to be noted, but the amount of material for the teacher to use is greatly augmented.

Very truly yours,

(Signed) José M. Gallardo
Commissioner of Education
